Mumbai, Maharashtra, India

Education

Bharat College of Engineering

Badlapur (W), Thane

Bachelor of Engineering in Computer Science (Current GPA: 7.52/10.0)

Nov 2022 - Jun 2026

- Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Artificial Intelligence.

B.N. Bandodkar College of Science

Thane, India

Higher Secondary Certificate (HSC) - Science

Aug 2020 - Jun 2022

Technical Skills

Programming Languages: Python, JavaScript, TypeScript, SQL

Web Technologies: HTML5, CSS3, Tailwind CSS, React.js, Express.js

MERN Stack: MongoDB, Express.js, React.js, Node.js

Databases: MongoDB, SQLite

Software Development: REST APIs, SDLC, Debugging, Troubleshooting

Tools: Git, GitHub, VS Code

Experience

InternPro

Mumbai, Maharashtra

Frontend Development Intern

June 2025 - July 2025

- Developed responsive and interactive user interfaces using React.js and Tailwind CSS, improving website navigability for end users
- Collaborated with the backend team to ensure seamless website functionality and reduced page load time by 70%.
- Built responsive UI components by converting design wireframes into high-quality code, ensuring seamless performance across devices and browsers.

Projects

KrishiSahay - AgriCredit Score | TypeScript, Python, SQLite

- Built a full-stack platform for fair agricultural credit scoring using alternative data and intelligent scoring logic.
- Added key features like rule-based scoring, EMI calculator, multilingual UI, and demo OCR-ready 7/12 document processing.
- Designed a mobile-first, responsive interface with optimized API workflows and an accessible user experience.

Imaze - Interactive Image Search (API Integrated) | JavaScript, HTML5, CSS3

Designed a clean and user-friendly image browsing interface.
Implemented dynamic search and filtering with interactive UI elements.
Improved performance and mobile experience with clean, optimized code.

Certifications & Virtual Experience

Accenture Nordics - Software Engineering Job Simulation | Forage

- Completed a practical job simulation involving software architecture, debugging, and system design.

Citi - Technology Software Development Job Simulation | Forage

- Gained practical experience in creating flowcharts and architecture diagrams for banking software systems.

AI Agents using Python | Certification

Frontend Development | Certification
